To whom it may concern,

I have had the distinct pleasure of being the direct supervisor for Scott Mayer for the last 2 school years. During that time he has been a classroom assistant in our district-run therapeutic day school, Glenbrook Off-Campus. In this capacity he spends nearly 100% of his time directly working with students. I have been amazed by the work that he has done. He is friendly and welcoming to students while maintaining clear and appropriate boundaries. He is very bright and learns tasks easily. Scott is a team player who looks for what needs doing and never hesitates to jump in or volunteer when things need to be done. I am confident that Scott will have continued success as an employee here for as long as he wishes to remain here. I am thrilled he is pursuing a career in teaching. He will be an asset to the field of education as he has been to our school.

I have no reservations about Scott's ability to succeed in your MAT program and I gladly give him my strongest recommendation. If you have any questions, please do not hesitate to contact me at 847-486-5751.

Sincerely,
